6. (Internal Use Only - LLM) INTELLIGENCE BRIEFING Accompanied Jim Lilley, NIO/China, to a briefing of Senator Howard Baker (R., Tenn.) in connection with the planned trip by the Senator and others to the PRC. Senator Baker was principally interested in atomic energy matters and there is a follow-up requirement to provide him with a list of atomic energy-related facilities he may be permitted to visit. George Murphy, Executive Director of the Joint Committee on Atomic Energy, also sat in on the meeting.

7. (Unclassified - LLM) ADMINISTRATIVE - DELIVERIES Delivered to Ben Marshall, on the staff of the Senate Select Committee on Intelligence, a classified memorandum for Bill Miller, Staff Director, on travel for the Committee members. This was a follow-up item from the 29 July briefing of the Committee.

8. (Unclassified - LLM) INTELLIGENCE BRIEFING Bruce Van Voorst, on the staff of Senator Dick Clark (D., Iowa), called to request a substantive intelligence briefing tomorrow for the Senator on the current domestic and economic situation on the Horn of Africa. (See Memorandum for the Record.) [] has been advised.

9. (Unclassified - LLM) EMPLOYMENT Called Mary Bush, in the district office of Representative Andrew Jacobs (D., Ind.), concerning our direct contact with [] on their behalf for an employment interview in Washington. She appreciated our handling of the situation.

10. (Unclassified - LLM) LEGISLATION In response to his call, provided Sam Hoskinson, on the National Security Council staff, comments on his draft response to the Resolution of Inquiry, H. Res. 1427, introduced by Representative Michael Harrington (D., Mass.).

11. (Unclassified - DFM) LIAISON Called Judy Russell, Information Services, Office of Technology Assessment, regarding a report on metals stockpiling which [] OER, asked me to obtain. Russell said the report would be released about mid-August and that she would send me three copies when it is released.
